Thank you for the follow up. I am not interested in any correspondence relating to either of the two administrative orders that have been signed with USEPA. I am interested only in documents that address in some way the company's waste disposal, primarily with respect to the South Dayton Dump and Landfill site. Thanks again, Steve

Stephen:

I am working on your Freedom of Information Act Request and wanted to check with you to see if you wanted only the responses from 2012 related to the removal action, or do you want us to go back to 2002, 2006, etc.? Please respond back to let us know, thanks.
